### **Mobile Driver License Examining Office Extends Hours of Operation** *Examining Office to Open at 7 a.m.*

Effective Monday, April 16, the Mobile Driver License Examining Office will open an hour earlier at 7 a.m., extending by one hour daily the previous operating schedule of 8 a.m. to 5 p.m. The office is located at 3400 Demetropolis Road.

Maj. Hugh McCall, chief of the Department of Public Safety's Driver License Division, said the office will open earlier as a convenience to driver license customers.

"Customer service is a top priority," said McCall. "The Driver License Division will continue to evaluate office schedules and other means of promoting customer convenience and improving services at driver license examining offices throughout Alabama," he said.

The Driver License Examining Office operates Monday through Friday and does not close for lunch. The office will continue to close each day at 5 p.m.

In addition to driver license testing, the Mobile Driver License Examining Office provides license reinstatement services and issues copies of wreck reports and driver records. Additional information regarding driver license services is available on the Department of Public Safety's Web site, [www.dps.alabama.gov](http://www.dps.alabama.gov).
