Mobile Driver License Office Slated to Close for Remodeling

The Mobile Driver License District Office located at 3400 Demetropolis Road will be closed to the public beginning Thursday, Dec. 22, 2005, for remodeling. The tentative reopening date will be Monday, Jan. 9, 2006. This project is necessary in order to install the new state-of-the-art driver license issuance system, as well as to produce a more customer-friendly office layout.

Applicants for an Alabama driver license in the Mobile area will be directed to Alabama Department of Public Safety driver license offices at Fairhope, Foley, and Bay Minette. Additional employees will be sent to these three sites in order to handle the increased numbers of applicants and maintain quality customer service.
