Driver License Examining Offices Changing Days of Service in Clanton, Wetumpka

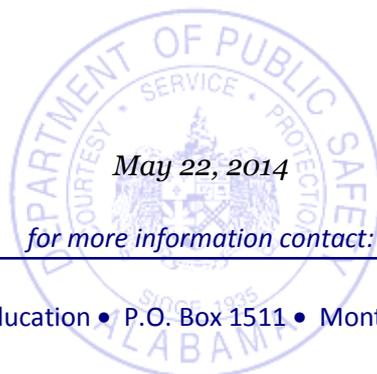

The Alabama Department of Public Safety's Driver License Division is adjusting the days of service at two of its locations in June to maximize resources.

Currently, the Clanton examining office, at 500 2nd Ave. North, is open from 9 a.m. to noon and from 1 to 4 p.m. Monday through Thursday. Beginning the week of June 16, this office will be open the same hours each Tuesday, Wednesday and Thursday.

The Wetumpka examining office, at 303 Hill St., currently is open from 8 a.m. to noon and from 1 to 4:30 p.m. Monday through Friday. Beginning the week of June 16, this office will be open the same hours each Monday, Tuesday, Wednesday and Friday.

Public Safety's decision to reduce days of service at these offices was based on the low volume of applicants on a typical day. Adjusting the days of service will allow the department to serve more Commercial Driver License applicants in the River Region and to enhance staff and reduce wait times at the district office in Montgomery.
