

# Remembering Highway Fatality Victims

## Alabama Department of Public Safety

courtesy • service • protection since 1935

Each year in Alabama more than 1,000 people die on our roadways. We know there is a story behind every person who dies in these crashes, and we want to help you honor and remember your loved one. If you would like to include a tribute to your family member on our Fatality Victims Memorial Page, <http://dps.alabama.gov/memorial/>, please complete the following form and return it, along with a photograph, to **Public Information/Education, Alabama Department of Public Safety, P.O. Box 1511, Montgomery, AL 36102-1511**. You also may e-mail the form and picture to [info@dps.state.al.us](mailto:info@dps.state.al.us). Please send a duplicate copy of your photograph because we will be unable to return the photograph you send.

This site is designed as a way for family members to memorialize and remember their loved ones, not as an avenue to discuss the facts of the crash or investigation. The Department of Public Safety reserves the right to reject any material that may be considered offensive and to edit for content and length. Only family members may submit information, and Public Safety will accept only one submission per victim.
